SuperGold Card Discounts

Via the Ministry of Social Development's website, **SuperGold** card offers an extensive range of discounts available to cardholders. Check at <https://www.supergold.govt.nz> or the free SuperGold app on your smartphone to see what is available.

Grey Power is first and foremost an advocacy organisation. Our focus is on issues affecting those of us in the 50+ phase of life.

However, to acknowledge the loyalty of the more than 37,000 members New Zealand wide who support Grey Power's work by belonging, Grey Power has negotiated a range of discounts for financial members.

Some are available nationally; others are provided by Rotorua businesses for Rotorua Grey Power members.

Your Rotorua committee encourages you to support the businesses that support Grey Power. Availing ourselves of savings makes sense, and assures viability of the discount programme.

Also check out the extensive range of SuperGold card discounts available to SuperGold card holders, including veterans.

Important information for you to read

- Grey Power discounts are available to financial members only.
- Please show your current membership card to secure discounts.
- All discounts are offered on normal prices, and do not apply to special offers.
- Grey Power does not guarantee in any way the goods, services, discounts, prices and/or the viability of suppliers.
- Members should satisfy themselves of any concerns relating to transactions prior to purchase.
- Visit the Ministry of Social Development website to view the extensive range of SuperGold card discounts available to seniors in Rotorua, nationally and in Australia.
