Grey Power is first and foremost an advocacy organisation. Our focus is on issues affecting those of us in the 50+ phase of life.

However, to acknowledge the loyalty of the more than 53,000 members New Zealand wide who support Grey Power's work by belonging, Grey Power has negotiated a range of discounts for financial members.

Some are available nationally; others are provided by Rotorua businesses for Rotorua Grey Power members.

Your Rotorua committee encourages you to support the businesses that support Grey Power. Availing ourselves of savings makes sense, and assures viability of the discount programme.
